**NUTRITIONAL EPIDEMIOLOGY DEGREE REQUIREMENT WORKSHEET FOR AY 2015-2016**

Program Director: Nicola McKeown

*This is not an official transcript or record*

**NEPI-MS Degree Credits Requirement:** A minimum of 16 credits. If NUTR 0202, which is considered a prerequisite, is taken for credit, a minimum of 17 credits is required for the Master of Science degree.

**NEPI-PhD Degree Requirements:** Students admitted directly to the PhD program must complete a minimum of four credits of coursework while enrolled at the Friedman School. NEPI-PhD students are required to fulfill all the course requirements for the NEPI-MS degree (in addition to the PhD Additional Requirements), either through courses taken at the Friedman School, or by completing an Exemption Petition (see details below) to recognize preparation elsewhere (based on courses completed before starting the PhD degree or by courses completed during the PhD degree but not credit hour requirements).

**Important to Note:** NEPI MS & PhD students in their last semester prior to graduation must meet with their Academic Advisor in-person to review the NEPI Degree Requirement Worksheet, obtain the required Advisor approval below, along with approval from the NEPI Program Director, and submit the completed Worksheet to Friedman’s Office of Student Affairs (Jaharis, 123 or michelle.frankfort@tufts.edu).
