

## AGRICULTURE, FOOD AND ENVIRONMENT DEGREE REQUIREMENT WORKSHEET FOR AY 2017-2018

Program Director: Timothy Griffin

*\*This is NOT an Official Transcript or Record\**

**AF&E-MS Degree Credits Requirement: A minimum of 16 credits.**

**AF&E-PhD Degree Requirements:** Students admitted directly to the PhD program must complete a minimum of four credits of coursework while enrolled at the Friedman School, and two or more semesters of NUTR 404: Food and Nutrition Policy Doctoral Research Seminar. AF&E PhD students must meet all the course requirements for the AF&E-MS degree, either through courses taken at the Friedman School, or by completing an Exemption Petition to recognize preparation elsewhere.

**Exemption:** For an exemption of a required AF&E course or degree requirement, you must complete an Exemption Petition form. Approval of an Exemption does NOT decrease the minimum number of course credits required for your degree program. Friedman student forms are available at: <http://nutrition.tufts.edu/students/registrar/forms>.

**Important to Note:** Students in their last semester prior to graduation must meet with their Academic Advisor/Thesis Chair in-person to review the AF&E Degree Requirement Worksheet and Self-Designed Specialization, obtain the required intent to graduate approvals below, and submit the completed documents to Friedman's Registrar (Jaharis, 123 or [michelle.frankfort@tufts.edu](mailto:michelle.frankfort@tufts.edu)).

NUTR 0301	Nutrition in the Life Cycle (prerequisite: NUTR 0202)	0.5	Spring		
NUTR 0311	Nutrition Data Analysis	1	Fall		

List below any additional electives needed to fulfill the minimum 16 degree credits requirement:

Course #	Course Title	Credit	Offered	Semester/Year Enrolled	Grade

**AF&E Self-Designed Specialization Degree Requirement:** Must be at least three credits of coursework (only one credit may be a required course, and only one credit may be a Directed Study course; and the Skills course may be included). Courses taken outside the Friedman School that are eligible for transfer of credit may be used for the Specialization. Complete the required [Self-Designed Specialization Approval form](#) so fulfillment of the Specialization degree requirement may be added to your SIS academic record/transcript. If your Specialization has not yet been added to your academic record/transcript in SIS and you are graduating this semester, you may enter your Specialization information below for approval.

**Proposed Specialization Title:** \_\_\_\_\_
