

MASTER OF NUTRITION SCIENCE AND POLICY DEGREE REQUIREMENT WORKSHEET FOR AY 2021-2022

Program Director: Lynne Ausman

*\*This is NOT an Official Transcript or Record\**

Student Name: \_\_\_\_\_

Academic Advisor: \_\_\_\_\_

**MNSP Degree Semester Hour Units (SHUs) Requirement: A minimum of 30**

An Exemption Petition form must be completed for an Exemption of a required course or degree requirement. Approval of an Exemption does NOT decrease the minimum number of course semester hour units required for your degree. Friedman's forms: <http://nutrition.tufts.edu/students/registrar/forms>.

**Complete Prior to First Semester:**

**Training in Protection of Human Subjects (CITI) Degree Requirement:** The hardcopy of your completed CITI Coursework Requirements Report PDF that indicates the Expiration Date and Reported Score for the Biomedical Researchers modules needs to be emailed to [Friedman's Registrar](mailto:Friedman's Registrar) so the report can be filed in your student file folder and fulfillment of this requirement can be recorded in your academic record in SIS. Training in Protection of Human Subjects Requirement Fulfilled: YES \_\_\_\_\_ or NO \_\_\_\_\_

**Graduating Semester - Approval of Intent to Graduate: In order for a Friedman degree to be awarded, approval by the faculty (MNSP Academic Advisor and MNSP Program Director) is a requirement for Friedman's Dean and for the Board of Trustees of Tufts University to approve the official degree conferral.**

Students in their last semester prior to graduation must complete this Degree Requirement Worksheet (associated with their admittance semester) and obtain the required approvals below. Submission of the approved Worksheet to [Friedman's Registrar](mailto:Friedman's Registrar) is required for Graduation Checkout. Based on my review of this worksheet and the student's transcript it appears that this student will have met their requirements for graduation by: August (Summer) \_\_\_\_\_ or February (Fall) \_\_\_\_\_ or May (Spring) in the Year: \_\_\_\_\_.

Academic Advisor Approval: \_\_\_\_\_

Date: \_\_\_\_\_

Program Director Approval: \_\_\_\_\_

Date: \_\_\_\_\_

Course #	Course Title	SHUs	Offered	Semester/Year Mark an "E" for Exemption	Grade
<b>REQUIRED CORE:</b>					
<b>SCIENCE (6 SHUs):</b>					
NUTB 0205	Nutritional Biochemistry with Clinical and Community Applications: Macronutrients	3	Fall		
NUTB 0305	Nutritional Biochemistry with Clinical and Community Applications: Micronutrients	3	Spring		
<b>POLICY (6 SHUs):</b>					
NUTB 0206	Global Food and Nutrition Policy	3	Summer		
<b>Choose one of two below:</b>
