

PhD Degree Requirements Worksheet for students entering in academic year 2022-2023

Agriculture Food and Environment (AFE)

Division Chair: Timothy Griffin

Student Name: _____

Academic Advisor: _____

A minimum of 12 semester hour units (SHUs) are needed for your PhD degree. This worksheet is to be approved by both your academic advisor and the division chair via signature or e-mail and submitted by email to the [Friedman School's Registrar](#) in your final semester as part of the graduation checkout process. The information below is required for graduation and will be archived in your digital student file. Detailed degree requirements are specified in the [Policies and Procedures Handbook for your year of entry](#). Requirements include the CITI Training in Protection of Human Subjects (Social and Behavioral Research modules), for which the CITI Coursework Requirements Report PDF is provided to the registrar by the instructor for NUTR 0207. However, any students who were exempted from NUTR 0207 must complete the CITI Social and Behavioral Research modules and email their CITI Coursework Requirements Report PDF with expiration date and reported score to the [Friedman School's Registrar](#).

Based on my review of this worksheet and the student's transcript it appears that this student will have met their requirements for graduation by (check semester): August (Summer) ___ or February (Fall) ___ or May (Spring) ___ of _____ (year).

Thesis Chair Approval: _____

Date: _____

Important to Note: Based on a doctoral student's area of interest or intended focus, it may be possible to apply a course substitution for the requirements listed below. Please be sure to take the time to discuss this potential possibility with your Academic Advisor in the event that this could be applicable to your individual doctoral academic plans.
