**AF&E-MS Degree Semester Hour Units Requirement: A minimum of 48.**

**AF&E-PhD Degree Requirements:** Students admitted directly to the PhD program must complete a minimum of 12 Semester Hour Units of coursework while enrolled at the Friedman School and are required to fulfill all the course requirements for the MS degree as listed below in addition to the PhD Additional Requirements listed below. Fulfilling these requirements may be through enrollment in these required courses at the Friedman School, or by submitting an Exemption Petition to recognize preparation elsewhere (based on courses completed before starting the PhD degree or by courses completed during the PhD degree but not the Semester Hour Units (SHUs) requirements). For an Exemption of a required course or degree requirement, an Exemption Petition form must be completed. Approval of an Exemption does NOT decrease the minimum number of Semester Hour Units required for your degree program. Friedman student forms:

<http://nutrition.tufts.edu/students/registrar/forms>.

Students in their last semester prior to graduation must complete this Degree Requirement Worksheet (using the Worksheet associated with the semester they were admitted to Friedman) and obtain the required approvals for Intent to Graduate at the bottom of the form. Submission of the completed and approved Worksheet to Friedman's Registrar (Jaharis, 123 or [michelle.frankfort@tufts.edu](mailto:michelle.frankfort@tufts.edu)) is required for Graduation Checkout.
