

Alternative Seminar Attendance

As a part of the Friedman community, and to enhance your learning experiences as a student, you are expected to attend and participate in the school's weekly seminar series. Any student receiving scholarship aid from the Friedman School must have regular attendance, defined as attendance of at least 70%, at one Friedman/HNRCA based seminar series (approx. 6 seminars per semester). The HNRCA seminar (currently held on Mondays at noon) or the Friedman Seminar (currently held on Wednesdays at noon).

If you are unable for valid reason to attend either the HNRCA or the Friedman School seminars, an alternative graduate-level seminar may be substituted. **However, this should be the exception not the rule.** After consultation with, and approval by, your advisor or Program Director to attend an alternative seminar, please fill out the information below.
