UPDATED 10.07.17

EDUCATION

Doctor of Philosophy in Food Policy and Applied Nutrition, 2006.

Tufts University Friedman School of Nutrition Science and Policy; Boston, MA

- Dissertation: "Mixed-Method Approaches to Measuring the Experience of Food Insecurity in Bangladesh and Other Developing Countries"
- Committee Chair: Dr. Patrick Webb

Master of Science in Food Policy and Applied Nutrition, 2000.

Nutrition interventions and humanitarian assistance concentrations

Tufts University Friedman School of Nutrition Science and Policy; Medford, MA

Bachelor of Arts in International Relations, *Magna Cum Laude*, 1994.

International economic development and Africa region concentrations

Tufts University; Medford, MA

International Environment and Development Program, Fall 1992.

Food security research focus

The American University; Kenya and Washington, D.C.

Foreign Study Program, Spring 1993.

University of Sevilla; Sevilla, Spain

EMPLOYMENT HISTORY

CURRENT POSITIONS:

Associate Professor (2016 - present), Boston, MA.

Tufts University Friedman School of Nutrition Science and Policy

Senior Researcher (2010 - present), Boston, MA.

Tufts University Feinstein International Center

PREVIOUS POSITIONS:

Assistant Professor (2006 - 2016), Boston, MA.

Tufts University Friedman School of Nutrition Science and Policy

PREVIOUS POSITIONS, CONT'D:

Research Manager and Co-Investigator. (2001 - 2003), Bangladesh.

Tufts University Friedman School, for:

- USAID/Food and Nutrition Technical Assistance (FANTA) Project study of food security measurement;
- World Food Programme Income Generation for Vulnerable Group Development (IGVGD) evaluation;
- World Food Programme National School Feeding Program Evaluation;
- Co-designed studies, oversaw data collection, analyzed data, and co-wrote study results.

Research Assistant. (2000). Medford

Tufts University Friedman School, for World Bank Social Protection Division.

Program Manager. 1995-1997 (full-time); 1998-2000 (part-time). Boston and field offices (Morocco, Mali, Haiti, Egypt, Eastern Caribbean)

John Snow, Inc. (JSI)/International Division.

- Oversaw the programmatic and administrative operations of large-scale integrated health and nutrition projects.
- Developed winning technical and cost proposals in support of multi-million dollar USAID, ADB, DFID, and World Bank-funded health and nutrition projects.

Program Associate. June 1994 - May 1995. Boston and field offices (Morocco, Haiti).

John Snow, Inc. (JSI)/International Division.

- Assisted in the financial and administrative management of a \$38 million integrated FP/MCH project in Morocco and a smaller child health project in Haiti.
- Supported the development of technical and cost proposals for large multi-donor funded international health and nutrition projects.

RESEARCH FUNDING

Summary: Since 2006, served as PI or Co-PI of extramurally funded studies worth **\$16.2 million (\$7.2 million as PI, \$9 million as Co-PI)** from the Bill and Melinda Gates Foundation, USAID, United Nations World Food Programme, United Nations Food and Agricultural Organization, Department for International Development and various other government nongovernmental sponsors.

| Period | Grant/Study Title | Funder | Amount |
|-------------------|--|---|--|
| 2015-2017 | Indicators of Affordability of Nutritious Diets in Africa (IANDA) (PI) | Department for International Development through the "Innovative Methods and Metrics for Agriculture and Nutrition Action" (IMMANA) Programme | \$400,000 (exact amount depends on exchange rates) |
| 2015-2018 | International Dietary Data Expansion (INDDEX) Project (PI) | Bill & Melinda Gates Foundation | \$4,999,911 |
| 2011-2016 (Grant) | Grant: Empowering New Generations to Improve Nutrition | USAID/Ethiopia via Save the Children International | \$7,671,570 (Overall grant) |

| Period | Grant/Study Title | Funder | Amount |
|--------------------------|--|--|--|
| | and Economic Opportunities (ENGINE) (Co-PI) | | |
| 2013-2016 (Sub-study) | <i>Sub-study: Evaluating Multisectoral Strategies for Improved Nutrition and Food Security in Ethiopia: a Panel Study (PI)</i> | | \$685,919 (sub-study) |
| 2009-2015 | Study of Programmatic Sustainability and Exit Strategies in Kenya, Honduras, Bolivia, and India (Co-PI of the Exit Strategies Study; PI of the Kenya sub-study) | USAID via FHI360/Food and Nutrition Technical Assistance (FANTA) Project | \$2,173,612 (overall study) \$798,829 (Kenya sub-study) |
| 2011-2012 | Comparative Analysis of Food Consumption Measurement Methods for Food-Based Micronutrient Programming (PI) | Global Alliance for Improved Nutrition (GAIN) | \$62,133 |
| 2010-2011 | Assessing Impact of Micronutrient Deficiency Functional Outcomes in Fortification Programming (PI) | Global Alliance for Improved Nutrition (GAIN) | \$133,194 |
| 2009-2012 | Food by Prescription Impact Study in Ethiopia (Co-I) | Save the Children/Ethiopia and USAID/Ethiopia | \$600,000 (approx). |
| 2009-2010 | Improving household nutrition and clinical outcomes in HIV treatment programs (PI for Tufts; Co-I of study) <i>Note: Tufts involvement in the contract ended due to circumstances related to the 2010 Haiti earthquake.</i> | NIH R01 through Partners in Health | \$253,629 |
| 2009-2013 | Study of Livelihood Changes Over Time (LCOT) (Co-PI) | World Vision International/ Ethiopia | \$100,000 |
| 2009 | Assessing Nutritional Vulnerability: An Approach to Integrating VAM and Hunger Mapping Methods (Co-PI) | World Food Programme WFP/VAM, LAC region | \$36,652 |
| 2007 | Improvement Of Household Food Security and Integrated Basic Services Program Evaluation (PI) | UNICEF/Ethiopia | \$49,958 |
| 2006-2007 | Dietary Diversity Measurement Study (PI) | WFP: (SENAC) Project | \$55,582 |

TEACHING EXPERIENCE

Tufts University Friedman School of Nutrition Science and Policy

Course Instructor:

- Nut 217: Monitoring and Evaluation of Nutrition and Food Security Programs (2008-present)
- Nut 304: Seminar on Food Security, Nutrition, and Development (2006-present)
- NRAK 210: Hybrid Learning M&E Course for Tufts Friedman Ras al Khaimah Hybrid MSc Program (2010-2012)
- NutC 210: Online Certificate: Program Monitoring and Evaluation (2013-2014)

Guest Lecturer:

- Nut 313: Nutrition Assessment (2010-2016)
- Nut 210: Survey Research (2007-present)
- Nut 229/DHP 230: Humanitarian Action in Complex Political Emergencies (2014)
- Nut 325: Micronutrient Program Interventions
- MPH 222: Survey Research Methods and Data Management (2011)

Teaching Assistant

- Food Security and Nutrition in Developing Countries (2003)
- Food Policy: Institutions, Analysis and Action (2003-2004)
- Nutrition in Complex Emergencies (2001)

Other Academic Institutions:

- Brown University: Watson Institute for International Studies, International Advanced Research Institute: Human Security and Humanitarian Response (June 2014 and 2015)
- Harvard University Global Health and Nutrition Course (April 2014 - 2016)
- Brown University (2016-2017).
- Boston University School of Public Health (2004)

TUFTS UNIVERSITY AND FRIEDMAN SCHOOL LEADERSHIP AND SERVICE

Standing Committees:

- Curriculum and Degrees Committee, Member (2008-present)
- University Social, Behavioral & Educational Research Institutional Review Board (2008-2013)
- Curriculum and Degrees Committee, Elected PhD Representative (2000; 2003-2004)

Ad-hoc Committees and Other Service:

- Faculty Compensation Committee, Member (2016-2017)
- Strategic Planning Working Group for Research, Chair (2015-2016)
- Strategic Planning Working Group for Faculty Affairs, Member (2016)
- Faculty Search Committee, Member (2015-present)
- Presenter to Board of Trustees (2015)
- University representative to the United Nations, Presidents United to Solve Hunger Meeting (2014)
- Friedman School Ad-Hoc Committee on New Faculty Search Priorities, Member (2014)
- Tufts Travel-Learn Faculty Host and Lecturer, Italy (2013)
- Faculty Search Committee, Member (2012)
- Student Research Conference faculty panel moderator and abstract reviewer (2010-2014)
- 'Honorary Faculty Chair' for All-Alumni Reunion (2010)
- Committee to plan social science department strategic planning, Member (2009-2010)
- Ad hoc committee to improve course evaluation process, Member (2009-2010)
- Organized and managed the Friedman Seminar Series (2007)
- Frequent Chair and Examiner of PhD qualifying exams (2006-present)
- Friedman School Strategic Planning Task Force, PhD Representative (2005)
- Appointed by Tufts University Provost to the Friedman Dean Search Advisory Committee (2003-2004)
- Regularly contribute to FPAN, Departmental, and Faculty meetings, town hall meetings, and other symposia and school-wide events.
- Elected student council representative during PhD studies (2003-2004)
- Student leader of "World Hunger Forum" (1998-1999)

PROFESSIONAL SERVICE, POLICY ENGAGEMENT, AND OUTREACH

1. Editorial Activities

- Editorial Board, Global Food Security Journal - Springer (2012-present)
- Associate Editor, Food Security Journal - Elsevier (2009-2014)
- Lead Guest Editor, "Advances in Developing Country Food Insecurity Measurement". Journal of Nutrition 136:1404S-1452S (2006).
- Reviewer, Cornell University Press Food Policy Textbook by Per Pinstrup Andersen et al. (2010)
- Ad hoc reviewer (2006-present): Food Policy, Social Science and Medicine, Food Security Journal, Journal of Global Food Security, Food and Nutrition Bulletin, Maternal and Child Nutrition, Pediatrics, Advances in Nutrition, Journal of Nutrition.

2. Invited Expert Advisory Committees, Professional Memberships, and Board Memberships

- Gallup World Poll technical advisory group for global diet quality assessment, Member (October 2016-present)
- Food Environment Working Group through the “Innovative Methods and Metrics for Agriculture and Nutrition Actions” Program at the Leverhulme Centre for Integrative Research on Agriculture and Health/London School of Hygiene and Tropical Medicine, Member (2016-present).
- FSIN Expert Advisory Group on Food and Nutrition Security Measurement, Member (2015-2016).
- United Nations Inter-Agency Working Group On Agricultural And Rural Statistics: Improving the Measurement of Food Consumption in Household Consumption and Expenditure Surveys, Member (2014-present)
- Scientific Committee on Malnutrition Causal Analysis, Action Contre La Faim, Lead (2010-2014)
- Federation of Massachusetts Farmers Markets Board, Member (2013-2014)
- United Nations Standing Committee on Nutrition M&E Working Group, Member (2009-2010)
- Global Advisor for Oxfam America’s Poverty Footprint Project: “Exploring the Links Between International Business and Poverty Reduction: CocaCola/SAB Miller Value Chain Impacts in Zambia and El Salvador” (2009)
- American Society for Nutritional Sciences (Global Nutrition Council), Member

3. Invited Lectures, Seminars, & Expert and Policy-related Consultations

- Invited Expert Consultation: “Development of innovative active capture imaging or other technologies for assessing individual dietary intake RFP convening,” hosted by Bill & Melinda Gates Foundation (February, 2017).
- Invited Speaker: “Strengthening capacity for data-driven policy and programming decisions that promote healthy diets” Session Theme: Measures to strengthen accountability, resilience, and equity within the food system. FAO/WHO International Symposium on Sustainable Food Systems, Rome, Italy (December 2016).
- Invited discussant: “Reducing measurement error: trade-off between cost and reliability (accuracy + precision),” and “Adherence to standards; List of Food Items,” FAO/World Bank Meeting on Guidelines for Food Data Collection in HCES, Rome, Italy (November, 2016).
- Invited Expert Consultation: Technical Expert Advisory group on nutrition monitoring (TEAM) to develop consensus around indicators of diet quality, hosted by UNICEF/WHO, NY, NY, (February 2016).
- Invited presenter: Ethiopia/ENGINE project final research dissemination workshop, Addis Ababa, Ethiopia (June, 2016).
- Seminar speaker: “Determinants of Participation in Integrated Agriculture and Nutrition Programming,” and “Agriculture Extension Worker Knowledge, Attitudes, and Practices in Supporting Nutrition-Sensitive Agriculture in Ethiopia,” Ethiopia/ENGINE project research dissemination workshop, Addis Ababa, Ethiopia (September, 2015).

- Invited Seminar: “Program Sustainability and Exit Strategies Study Seminar” hosted by USAID/Food for Peace. Washington DC. (July, 2015).
- Invited Lecturer: “Food Security Concepts, Metrics, and Assessment – Opportunities and Challenges”, hosted by Brown University Watson Institute for International Studies, International Advanced Research Institute: Human Security and Humanitarian Response: Providence, RI. (June, 2015).
- Invited Expert Speaker: Expert Meeting of the U.N. FAO Voices of the Hungry Project, hosted by FAO Rome (May, 2015)
- Invited Lecturer. “Multisectoralism and International Nutrition,” hosted by Harvard University Global Health and Nutrition Course (April, 2015).
- Invited Expert Consultation: “Quantifying Sustainable Nutrition Security,” Center for Integrated Modeling of Sustainable Agriculture and Nutrition Security (CIMSANS), hosted by IFPRI: Washington DC. (February, 2015).
- Invited Expert Consultation: “Sustainable Development Goals for Nutrition,” hosted by Bill & Melinda Gates Foundation (December, 2014).
- Invited Expert Consultation: “Minimum Dietary Diversity for Women Measurement Protocols,” hosted by FHI360/FANTA and FAO: Washington D.C. (January, 2015).
- Invited Expert Consultation and Session Chair: “Metrics of Sustainable Diets and Food Systems,” hosted by Bioversity International (Rome) and CIHEAM (Montpellier): Montpellier, France. (June-December, 2014).
- Invited Session Organizer and Facilitator. “Determining individual food consumption from household-level data,” at the ‘Improving the Relevance and Reliability of Food Data from Household Consumption and Expenditure Surveys Meeting’, hosted by FAO/Rome and World Bank: Rome. (November, 2014).
- Invited Speaker: “Diet Quality: A Missing Link,” at the ‘Gates Grand Challenges Meeting: Nutrition and Agriculture Track’, hosted by the Bill & Melinda Gates Foundation: Seattle. (October 2014).
- Invited Expert Consultation: “Women’s Dietary Diversity Indicator Meeting” hosted by FANTA and FAO: Washington DC. (July, 2014).
- Invited Speaker: “Brazil Workshop on Food Security and Nutrition: New Agendas”, hosted by Ministry of Social Development and Fight Against Hunger: Brasilia, Brazil. (January, 2014).
- Invited Seminar: “Program Sustainability and Exit Strategies Study Seminar” hosted by FANTA: Washington DC. (February, 2013).
- Invited Lecture: “Promise and Paradox: the Mediterranean Diet in Present Day Italy,” Faculty Host and Lecturer, Tufts Travel-Learn, Italy (September, 2013).
- Invited Lecture: “Slow Food in the Fast Lane: Italy's Modern Food Movements Go Global,” Faculty Host and Lecturer, Tufts Travel-Learn, Italy (September, 2013).
- Invited Presenter: “Directions in Food Security Measurement,” Tufts/Brown Center for AIDS Research (CFAR): Boston (November, 2012).
- Invited Seminar: “Program Sustainability and Exit Strategies Study Results,” hosted by USAID Food for Peace: Washington D.C. (October, 2012).
- Invited Lecturer: hosted by Institut de Recherche pour le Développement (IRD): Montpellier France. (May, 2012).

- Technical Advisor. “Technical Advisory Group Meeting,” hosted by USAID-funded Strengthening Partnerships, Innovations and Innovations in Nutrition Globally (SPRING) Project: Washington DC. (June 19, 2012).
- Invited interview. “Artistic and Scientific Collaboration for Progress Against Global Hunger,” Brown University Rhythm of Change Festival: An African Performance Festival For Social Change: Providence (March, 2012).
- Invited Speaker. “Comparison of Approaches to Measuring Food Consumption for Food-based Micronutrient Programming”. Monitoring Assessment and Data (MAD) Group Food Consumption Measurement Workshop, hosted by the Academy for Educational Development. April 14-15, Washington DC: (April, 2011).
- Invited Online Discussion Moderator. “Measuring Food and Nutrition Security,” FAO Global Forum on Food Security and Nutrition. (November, 2011).
- Invited Seminar: “Conceptualizing Exit Strategies and Sustainability,” at the ‘Food and Nutrition Program II Workshop’, hosted by FANTA: Washington, DC. (March, 2011).
- Invited Seminar: “Exit Strategies and Sustainability of Title II Programs in Kenya,” at the ‘Food and Nutrition Program II Workshop’, hosted by FANTA: Washington, DC (March, 2011).
- Invited Technical Expert. “Technical Consultation on Nutrition and Mortality Indicators”, hosted by FAO, Rome. (July 2009).
- Invited Speaker: “Years of Aid Programmes and People are Still Starving: Prevention vs. Treatment of Malnutrition,” Humanitarian Congress, Berlin. (October, 2008).
- Invited Technical Expert. “Measuring Food Consumption - Harmonizing methodologies: Inter-agency Workshop,” hosted by WFP and FAO: Rome. (April, 2008).
- Invited Lecturer: “International Nutrition, an Integrated Approach?” hosted by Boston University: Boston. (November, 2004).

AWARDS AND HONORS

- Dannon Nutrition Leadership Program Fellow (2010)
- Helen Smith Brownstein Scholar (2005)
- American Society for Nutritional Sciences, Community and Public Nutrition Research Award (2005)

SELECT CONSULTANCIES

1. **Food and Nutrition Technical Assistance Project (FANTA). Consultant. January 2014-2016.** With two other Tufts colleagues, jointly conducted a comparative assessment of 21 datasets spanning 10 countries to determine the static and dynamic inter-relationships of key household food insecurity indicators.
2. **Action Against Hunger (ACF/Paris). Consultant. July 2010-January 2015.** Develop a standardized method for conducting nutrition causal and response analyses in developing country operational settings.

3. **Wageningen University and Food and Agricultural Organization. Consultant. 2009.** Designed the curriculum and substantive content for an FAO distance-learning module on the design and implementation of national level nutrition and food security surveys.
4. **Save the Children, UK/Ethiopia. Consultant. 2008.** Designed an impact evaluation and applied learning protocol for Save the Children UK's 5-year Hunger Reduction Thematic Programme Plan.
5. **CARE. Consultant. January-April 2008.** Together with co-authors, prepared a background paper titled "Rethinking Food Security in Humanitarian Emergencies" for CARE/Oxfam sponsored Forum, Rome April 2008.
6. **Cornell University Program in International Nutrition. Consultant. May, 2006-August 2006.** As part of the Cornell team, evaluated the Gates Foundation's nutrition intervention portfolio and developed a proposed fortification strategy on behalf of BMGF.
7. **Tufts Friedman School of Nutrition Science and Policy. Consultant. Boston, June, 2005-May 2006.** Coordinated and served as lead editor of a special supplement to the Journal of Nutrition on innovative food insecurity measurement research in developing countries.
8. **Save the Children (US). Risk and Vulnerability Assessment Consultant. Westport/Washington, D.C., July 2005-May 2006.** Assisted Save the Children, US to develop a strategy to integrate a risk and vulnerability lens into SC programming at each phase of the program cycle.
9. **Food and Nutrition Technical Assistance Project (FANTA). Consultant. Boston, October 2004-January 2006.** Developed guidelines to assist Title II PVOs to apply the Household Food Insecurity Access Scale for programming and evaluation purposes.
10. **World Food Programme. Program Evaluation Technical Advisor. Bangladesh and Boston, May, 2004-December, 2004.** Co-designed and implemented an impact evaluation of WFP's National School Feeding Programme, the largest such initiative in the organization's portfolio. Analyzed data and prepared evaluation report.
11. **Food and Nutrition Technical Assistance Project (FANTA). Consultant. Bangladesh, July-August, 2004.** Advised USAID/Bangladesh in the reformulation of its Performance Monitoring Plan for nutrition, food insecurity, and disaster management activities.
12. **Food and Nutrition Technical Assistance Project (FANTA). Consultant. Washington, D.C. March-April 2004.** Researched, prepared, and presented a key background paper to assess the potential and implications of developing a universal indicator for Title II NGO impact evaluation.
13. **World Food Programme/Bangladesh. School Feeding Evaluation Consultant. Bangladesh. February 2002 – September 2002.** Designed and implemented a baseline survey of schools located in highly food insecure rural areas of Bangladesh and Dhaka urban slums, in preparation for the launching of WFP's largest global school feeding program.
14. **World Food Programme/Bangladesh. Evaluation Consultant. Bangladesh. February – June 2001.** Together with the Principal Investigator and local survey research firm staff, designed, implemented, and analyzed a 606 household survey to evaluate the selective participation of ultra-poor women in the Income Generation for Vulnerable Group Development Programme.

15. Save the Children, US. Consultant. January-February 2001. Developed a concept paper on the theory and application of Positive Deviance and other related approaches to mobilizing behavior change in health and nutrition programs.

16. Nepal Child Health and Logistics Support Services Project, Evaluation Consultant, Nepal; May – August 1999. Evaluated the sustainability of Vitamin A supplement delivery by Female Community Health Volunteers under the USAID/UNICEF-funded Nepal National Vitamin A Program.

ADVISING AND MENTORING

1. DOCTORAL STUDENTS

| Name | Role | Topic |
|-----------------------|------------------|--|
| In Process | | |
| Winnie Bell | Chair | Intrahousehold Nutrient Inequality in the Nutrition Transition |
| Keith Lividini | Committee Member | Understanding the Nutrient Flows of Vitamin A, Iron, and Zinc in Relation to Global and National Food Systems |
| Min-Barron, Marion | Chair | The Role of Gender in Smallholder Farmers' Nutrition-Sensitive Agricultural Activities |
| Wondafrash, Beyene | Committee Member | Effects of Khat Production and Consumption on Food security, Nutrition and Health Status of Rural Households in Ethiopia (Jimma University, Ethiopia) |
| Completed | | |
| Moussa, Soha (2015) | Committee Member | Analyzing Malnutrition in Emergencies: the Determinants and Policy Implications for Malnutrition in Darfur, Sudan. Current position: Programme Officer, WFP, Lebanon/Syria |
| Osman, Abdal (2012) | Committee Member | Agricultural Change, Land and Violence: an Examination of the Region of Darfur, Sudan Current position: Head of Programme, FAO South Sudan |
| Lapping, Karin (2012) | Committee Member | Socio-political and Epidemiological Dimensions of Malnutrition in Viet Nam Current position: Senior Director of Nutrition, Save the Children |
| Puett, Chloe (2011) | Committee Member | Community case management of acute malnutrition by community health workers in southern Bangladesh: Examining quality of care and cost-effectiveness Current position: Cost-Effectiveness Research Group Director, Action Against Hunger, NYC |

2. MASTERS STUDENTS

Academic Advisor: 35 graduate students (2007-2015)

Masters Theses and Directed Study Advisees:
